

INDUSTRIAL DEVELOPMENT INCENTIVES

INDARTU

- **Description/Objective:** Provide incentives for productive investment by companies, leading to competitive improvement and economic development, in the Areas of the Basque Country designated by the European Union, within the framework of the Regional Aid Map, and in other municipalities with an unemployment rate higher than the annual average of the Basque Country in the percentage set out in the programme's bases.
- **Beneficiaries:** Large and Small and Medium-sized Enterprises (SMEs) that meet the criteria of being industrial companies and related services linked to the industrial product-process, whose investments that are target for aid are located in the Basque Country.
- **Amount of Call:** 20.000.000 €
- **Publication date:** April-May 2024
- **Criteria for the granting of aid:** Successive grants
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:**
 - DESMA Agustín García: agus-garcia@euskadi.eus. Tel. 945018214
 - SPRI Imanol Cuétara: icuetara@spri.eus. Tel. 944037040

RENOVE SMART INDUSTRY

- **Description/Objective:** Support the acquisition of advanced machinery and/or equipment (Hardware and Software) for the implementation of Industry 4.0 projects aimed at applying technologies within the field of Advanced Manufacturing at industrial companies in the Autonomous Community of the Basque Country.
- **Beneficiaries:** Industrial SMEs and related services linked to the industrial product-process.
- **Amount of Call:** 6.000.000 €
- **Publication date:** Marzo 2024 (aproximadamente)
- **Criteria for the granting of aid:** On a competitive basis
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:**
 - DESMA Agustin Garcia: agus-garcia@euskadi.eus. Tel. 945018214
 - SPRI Imanol Cuetara: icuetara@spri.eus. Tel. 944037040
- **More information:** <https://www.euskadi.eus/gobierno-vasco/departamento-desarrollo-economico-sostenibilidad-medio-ambiente/>

BIDERATU BERRIA

- **Description/Objective:** Aid aimed at restructuring and relaunching companies in crisis. The implementation of industrial and financial restructuring and recovery measures included in restructuring plans drawn up by companies in crisis aimed at restoring their medium and long-term viability will be promoted.

The costs derived from the implementation of the measures included in the plans submitted are considered eligible.

- **Beneficiaries:** Small and Medium-sized Enterprises (SMEs) that meet the criteria of being industrial companies that extract, produce, transform and provide related services (linked to the industrial product-process) and those in the field of the information and communications society, which are in crisis and have a centre of activity in the Autonomous Community of the Basque Country.
- **Amount of Call:** 1.000.000 €
- **Publication date:** March 2024
- **Criteria for the granting of aid:** Successive grants
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:**
 - DESMA Agustín García: agus-garcia@euskadi.eus. Tel. 945018214
 - SPRI Laura Izaguirre: lizaguirre@spri.eus. Tel. 944037053
- **More information:** <https://www.euskadi.eus/gobierno-vasco/departamento-desarrollo-economico-sostenibilidad-medio-ambiente/>

LORTU

- **Description/Objective:** Provide external professional support to industrial and related services companies that need it, in order to jointly carry out a refinancing project that—from the operational and financial starting point of the company—analyses possible actions to be carried out to ensure the continuity and future of the company.
- **Beneficiaries:** Large and Small and Medium-sized Enterprises (SMEs) that meet the criteria of being industrial companies and related services linked to the product-process and have a centre of activity in the Autonomous Community of the Basque Country.
- **Amount of Call:** 500.000 €
- **Publication date:** March 2024
- **Criteria for the granting of aid:** De minimis regulation. Successive grants
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:**
 - SPRI Laura Izaguirre: lizaguirre@spri.eus. Tel. 944037053
 - SPRI Mikel Serrano: mserrano@spri.eus. Tel. 944037024
- **More information:** <https://www.euskadi.eus/gobierno-vasco/departamento-desarrollo-economico-sostenibilidad-medio-ambiente/>

BASKEEP

- **Description/Objective:** BasKeep is the Basque investment platform for business continuity, promoted by the Basque Government through its business development agency SPRI, where Basque companies with economic and financial difficulties and investors participate. BasKeep aims to boost the interaction between Basque companies in difficulties and investors, betting on business continuity and the maintenance of employment.
- **Beneficiaries:** Large and Small and Medium-sized Enterprises (SMEs) in the Basque Country and investors.
- **Publication date:** All year long
- **Criteria for the granting of aid:** Free access to the platform for companies and investors
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:**
 - SPRI Laura Izaguirre: lizaguirre@spri.eus. Tel. 944037053
 - SPRI Mikel Serrano: mserrano@spri.eus. Tel. 944037024
- **More information:** <https://www.euskadi.eus/gobierno-vasco/departamento-desarrollo-economico-sostenibilidad-medio-ambiente/>

DECARBONIZATION IN INDUSTRY

- **Description/Objective:** Support for industrial companies and related services linked to the industrial product-process, which entail an improvement in the level of environmental protection, through decarbonization, in their industrial production processes and, therefore, the reduction of greenhouse gas emissions.
- **Beneficiaries:** Large and Small and Medium-sized Enterprises (SMEs) that meet the criteria of being industrial companies that extract, produce, transform and provide related services linked to the industrial product-process, whose investments that are target for aid are located in the Basque Country.
- **Amount of Call:** 20.000.000 €
- **Publication date:** March 2024
- **Criteria for the granting of aid:** Successive grants
- **Department in charge:** Industry and Energy Transition with support of the SPRI Group
- **Contact:** descar-indu@euskadi.eus
- **More information:** <https://www.euskadi.eus/gobierno-vasco/departamento-desarrollo-economico-sostenibilidad-medio-ambiente/>
